From the GM...

Happy New Year! We are looking forward to making 2020 the best year yet! We are using this “slow time” to tackle some projects such as irrigation repair scheduled to begin this month, new carpeting in the lobby and restaurant, painting and cleaning. We want to start off the year with a new attitude, a new look and an eye to the future!

We have a very special Valentine’s Day planned for you. We have booked Matt Johnson from NBC’s The Voice Season 15. He is a local artist that competed The Voice where he was chosen out of 49,000 people to be on Team Jennifer. We will also offer a special dinner for those wanting to make an evening out of it. More details to follow.

Golf News

From the Golf Shop

With the mild weather this winter (so far), it has been a real bonus golf season. I hope you have had the opportunity to take advantage and play some golf. Wintertime is very hard on the golf course so please try to help by observing some important guidelines:

1. The grass is not growing so please try to limit the number of ball marks on the greens by using the range for practice and not hitting 2 or 3 balls every hole.
2. Golf carts need to be kept on the paths wherever possible (we are patching the potholes on the paths this week). Also, we urge people to not take individual carts, as it not only causes extra wear on the course but extra wear on the cart fleet.
3. Several people have asked for two cups on the greens like we did last year. The problem with that was that the plastic cups were not strong enough when the wind blows, and they ended up being sideways in the green which caused major damage to the greens when we pulled them. We will be changing more frequently when the weather permits, which also helps to give you a little more variety.

The new world handicap system is now in place and everyone is obviously panicked about their new handicap. Bear in mind that every handicap has dropped. You do need to remember to post your score on the day you play as the handicaps change daily. You can download the VSGA app on your phone and do it yourself or we have a new touch screen kiosk in the shop. It takes 30 seconds to post a score with the new touch screen. Please provide your preferred email address to me at jmcgrath@countryclubofculpeper.com and we will make sure you receive your handicap info via email.

Click [here](#) to see the 2020 Golf schedule. Please pay attention to the new dates for the Member Guest and the Club Championship.

Winter hours for the Golf Shop and course are 10 AM to 4 PM mainly due to frost. Please do not go on the course before the Golf Shop gives the ok to play. The shop will open at 9AM if the temperature permits earlier play
